## Church... There's an App for that!

Saint Mark is pursuing new opportunities to foster a stronger parish life and better engage the New Evangelization. As a part of these efforts we are happy to announce that Saint Mark now has it's own app for Apple and Android phones.

Our new app will allow us to send you useful and important messages throughout the week regarding our parish life and events, and allow you to reply to messages or RSVP for events.

There will be no need for parishioners with smart phones to remember to silence their phones before Mass. The app will send you a reminder to silence your phone 20 minutes before the Mass you select. Many more great features will be a help to all of us, such as, daily Mass readings, Catholic news, prayers and prayer reminders, quick access to online tithing, Confession reminders, and our weekly bulletin.

So, be sure to download the app after Mass today by visiting **myparishapp.com** or search "myparish" on your phone's app store, and stay connected with us all week long.

Creating a Faith Direct account is simple. You can enroll online or by mail, so you can give to your church in a way that works best for you. This secure program works directly with your bank, credit, or debit card in the same way as other electronic funds transfer payments you may already conduct (such as utility bills or your mortgage payment). All transactions are processed electronically, debiting your bank account or charging your credit/debit card automatically for the amounts you designate.
